

*Bloody typical!  
Just as I am coming  
to the end of my  
career [June 1983]  
they start to pay us  
properly.*

1980

First off, read the Review Body report for 1980 @ No 1 choice. Look particularly at page 39 and paragraph 102. Here we see that once again we have been given a large pay rise from 14.5% to 20% and the reason why. For the first time EVER, we are being paid as **PROFESSIONALS**

but lots of debts ..story of  
your

life?

.....!

In the **BLACK** is nice, but fleeting  
And all too quickly changes when meeting  
The cost of our life style, married or single  
With few coins left in our pockets to jingle.

Then the colour changes to **GREY** well known to mean 'uncertain' bets  
That even the few coins we have are assets or debts  
So we tighten our belts and look to our savings  
Bemoaning our lot and our pay whilst retaining our cravings.

When the piggy-bank is empty but the needs are still there  
We still go ashore with or without a care  
And although now at **RED** when we should stop  
We borrow a rubber, half a bar, to buy our pop.

Then it is pay day, what a relief  
All debts are settled and there is a belief  
That this month things will be different and debt free  
How right you are matey because the ship is due for a month at sea.

{G. Dykes May 2005 – a budding Poet Laureate?}
