

HAMPSTEAD 3235.

29 St. JOHN'S WOOD PARK
23, April 1923. N.W.8.

Captain S. Burton has served as Chief Officer on the British Salvage Steamer "Semper Paratus" from August 1921 to March 1923 and during that time gave entire satisfaction. I found him capable, honest and sober.

C. Guardi Landi

Owner.
