28th September, 1920.

TO WHOM IT MAY CONCERN.

This is to Certify that the Bearer, ^{SIDNEY} Mr. Samuel Burton,
has served as Master of the S.S. "PROSPER" of London under our
Management from May 1917 to December 1919, during the whole time the
vessel was on Government Service, and only left through illness.

During the whole time his conduct was most exemplary,
being steady, sober and most attentive to his duties.

We have much pleasure in recommending him to anyone
requiring his services.
