Dear Sir,

We have heard from the Secretary of the Admiralty that the Shipping Controller has approved the award of \$50 to yourself and £10 to the look-out of your steamer, for your good look-out and prompt action on the occasion of the attempt to torpedo the steamer on the 2nd. May last.

We have been instructed to convey Sir Joseph's admiration and appreciation to you and your look-out, for your services.

We shall be glad if you will let us know the name of the look-out, and oblige.

Yours faithfully,
