Reference Marine.

This is to certify that Mr. S. Burton entered our Continental Home Trade Service in October 1900 and served on our s.s. "Eider" as Second Officer from that date until January 1910, and as Chief Officer from January 1910 to April 1916. On the 1st May, 1916, Mr. Burton was appointed to command the s.s. "Prosper", one of the vessels being managed by this Company, and when in May 1917 the s.s. "Prosper" was handed over to Messrs. John Cory & Son, Mr. Burton remained in command.

We have pleasure in stating that throughout the whole of the above time Mr. Burton was sober, steady and well-conducted, performing his duties to our entire satisfaction.

We understand that Mr. Burton has now left the s.s. "Prosper" and it is with regret that we are unable to offer him another appointment owing to the discontinuance of our Continental Service.

THE ROYAL MAIL STEAM PACKET COMPANY,

Thomas
