VON LERSNER RESIGNS.

(FROM OUR OWN CORRESPONDENT.)

PARIS, FEB. 4.

Last night the list of officers, officials, princes, and politicians whose surrender is asked for by the Allies was duly communicated to Baron von Lersner.

This morning Baron von Lersner returned the document to M. Millerand and informed him that he was resigning his post as head of the German Delegation and would leave for Berlin. The Ambassadors' Council considered this fresh manifestation of German feeling this morning and is continuing its deliberations this afternoon.
