54. Royal Navy. **ADMIRALTY REPORT ON PROGRESS OF DISMANTLING OF THE GERMAN NAVY.** By a Commission which left Portsmouth aboard HMS Malaya on 13/1/1920 with teams of officers who duty was to examine progress of demolition and dismantling on Heligoland and on German mainland. This is a typed report, not a printed one and this copy is about number 4 or 5 of the carbon copies. The illustrations are photos or photo postcards and hand-drawn plans and diagrams. This copy is in POOR CONDITION having been sliced roughly from a large binding and the whole is in disbound loose sheets. The text has no title page or preliminaries but does include the itinerary. Text is complete pp 2 to 7; 8 to 18, 20 to 141 and 145 to 223. Page no.106 has been misnumbered and is present twice. (The Appendices to the report begin on page 109). Illus. nos 5 to 51 and 54 to 65 are present as are drawing and plan illus nos 1 to 15, 15 to 17, 19 to 34 +37 to 47. There appears to be some duplication of numbering among the drawings. All illus, drawings and plans are stuck into pages of the report, readability varies from difficult to excellent. Some manuscript corrections to the text. An important document. **£484.50**
55. Admiralty. **REPORTS OF INTERROGATIONS OF CREW OF SUNKEN OR CAPTURED ENEMY SHIPS.** World War 2 warships, raiders, blockade-breakers etc. Based on any logs, diaries, newspapers, letters and cross-examination of crew. All were bound in red wraps but none remain. All have been water stained many with red dye from the missing covers. No title pages but complete texts. Reports also cover similar ships, training, facilities, other voyages and any other information acquired by careful but polite interrogation, most reports include full crew lists.
